a Provident Fund for teachers in the Bishop Cotton
Girls' High School was instituted with effect from

In 1928 the Audit Officer, Experiments, Bangalore,
suggested the desirability of formulating a general
scheme of Teachers' Provident Fund in the C. & M. Stn.
Bangalore. In letter No. 3450, dated 19-4-29, the
Inspector was informed that the question of the

general scheme. A general scheme was drawn up by
the Inspector in 1930. Owing to financial stringency
this scheme could not be given effect to then. This

year the Inspector of Schools has revived the above proposal and it is being dealt with separately.

Miss Elmes says that owing to various causes - a fall in the amount of interest on the Foley legacy, and a deduction in the Govt grant made last year being amongst them - there is the likelihood of a deficit at the end of this financial year. The Govt. grant paid in 1931-32 was Rs. 8,687/- and that paid in 1932-33 was Rs. 8,043/- The decrease was due to the cut in the budget allotment.

The Hon'ble the Resident is a member of the -- Board of Governors of the Bishop Cotton Schools. The proposal to reduce the school contribution to the Provident Fund from one anna to half an anna in the rupee with effect from April 1933 may be approved. The Resident's approval to the proposal has been sought in his capacity as a member of the Board of Governors.
Draft submitted for approval.

MISS ELMES, M.A.,

Principal.

BISHOP COTTON GIRLS' SCHOOL
BANGALORE.

7 - X - 33

Dear Col. Plowden,

I think that I ought to inform you, as a Governor of this School, of a reduction that we have to make with regard to our Provident Fund.

Since '28, when this Fund was initiated, the Girls' School has paid a contribution equal to the teacher's, - that is one anna in the rupee. We hoped then that we would get assistance from Government towards this Fund. As you are aware that hope has not been realised, and this year owing to various causes - a fall in the amount of interest on the Foley legacy, and a deduction on the Govt. grant last year being amongst them - we find ourselves faced with the likelihood of a deficit at the end of this financial year. I have consulted our Finance Committee and, with their approval, I propose to reduce the School contribution to half an anna in the rupee with effect from last April. The only alternative would be to reduce salaries, and that we are most unwilling to do since the salaries are too low already. We may have to reduce them.

I hope that this course will meet with your approval.
